UNFINISHED

GOD INVITES US into the unfinished stories

of individuals, communities

and peoples whom He loves.

UNFINISHED

UNFINISHED

WE INVITE GOD into our own **unfinished journeys**,

allowing Him to mold us into His Son's likeness

and help us see the world through His eyes

UNFINISHED

UNFINISHED

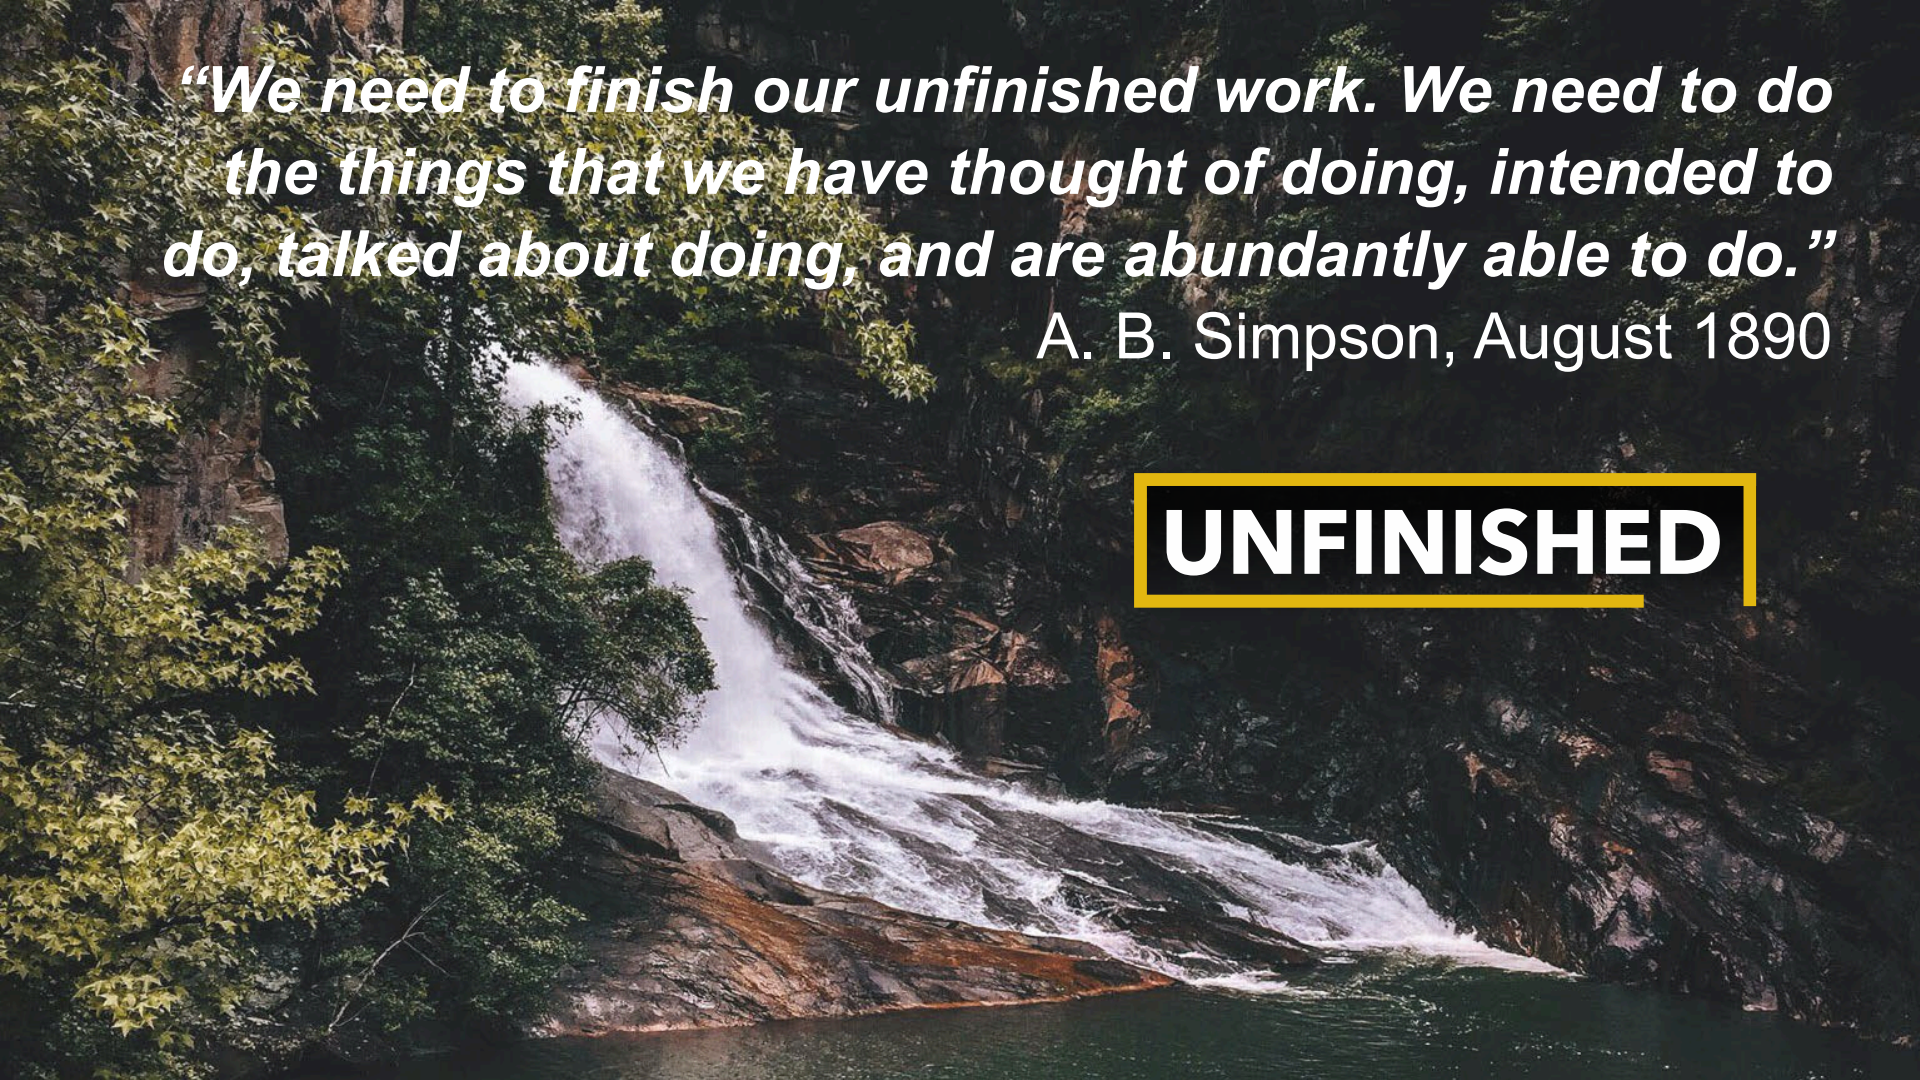

WE JOIN GOD in His unfinished mission,

the Great Commission,

until all have had opportunity to hear and respond

UNFINISHED

“We need to finish our unfinished work. We need to do the things that we have thought of doing, intended to do, talked about doing, and are abundantly able to do.”

A. B. Simpson, August 1890
