

An abstract graphic consisting of numerous thin, wavy lines in shades of teal and purple that flow across the page. Scattered throughout these lines are various colorful shapes, including rectangles, squares, and trapezoids in colors like yellow, orange, purple, and white, some with outlines and some solid.

An invitation to join us!

Urbana Student Missions Conference – December 28-31, 2022

An abstract graphic consisting of several wavy, parallel lines in shades of yellow and orange, flowing across the upper half of the page. Scattered throughout these lines are various geometric shapes, including rectangles, squares, and trapezoids, some in solid colors (teal, orange, light purple) and others as white outlines.
