

As we prepare for Global Impact Week, the Missions Committee of The Village Church invites you to join us in prayer for all of those who will be working to share the exciting news of God's work through the C&MA in many areas of the world. During the week we will focus on the theme "**BE PRESENT Among All Peoples**". Please join us in focused prayer for both presenters and attendees. This prayer calendar is presented to aid you in your participation.

Sunday, January 29

Pray for strength for the missions committee and the church staff as they think through and carry out the myriad details involved with a week-long conference.

Pray for the TVC media team and the Shell Point TV team as they work to help promote Global Impact Week in our community.

Monday, January 30

Pray for Jonathan Schaeffer who has served at Grace Church in Cleveland, Ohio for nearly 25 years and is a member of the Board of Directors for the Christian and Missionary Alliance. He will be our speaker for the first two days of Global Impact week.

Tuesday, January 31

Pray for the leadership of the C&MA as they provide Spirit filled direction and support to churches across our country. As the headquarters transitions from Colorado Springs to Columbus, Ohio, pray that God would provide necessary resources, and that the headquarters campus would be transformative in that community.

Wednesday, February 1

Pray for Steve and Claudia Irvin whose 40 years of Christian service has primarily been in the Spanish speaking world. They will be with us throughout Global Impact Week. Pray that God would guide them to personal interaction with members of our community who can benefit from the experience and insight which Steve and Claudia can provide.

Thursday, February 2

Pray for those individuals who are preparing for service as International Workers. Pray that God would be leading them through experiences now that would prepare them for cross-cultural service. Pray that God would smooth the involved process necessary to relocate to a different country.

Friday, February 3

Ask the Lord to continue growing in the churches of Spain the vision of taking Christ to the nations. Pray for Virginia Ordóñez who is the national missions mobilizer, and for Alba, who is the first cross-cultural missionary sent out by the Alliance in Spain. May she be the first of dozens to follow!

Saturday, February 4

Pray for the national directors of C&MA churches around the world that they would have spiritual discernment in providing leadership for the ministries in their homeland. Pray that they would have a growing love for God's word and access to wise Spirit filled counsel.
